

Limestone Coast Brand Usage Guidelines

Brand Usage

The Limestone Coast Brand is a “Place Brand” and a visual identifier to convey the amalgamation of positive perceptions, thoughts and feelings that consumers hold about the Limestone Coast. It is designed to trigger a consistent and growing "story" of the Limestone Coast as a creative, rich, innovative, diverse and industrious place.

A Place Brand is a visual identity to show who we are, where we are and what we offer. It's about being synonymous with the Limestone Coast and distinguishing this diverse region from other regions.
